Manufacturer

DENDRON BRANDS LTD

Pack size

125ml

RRP

£4.25

Legal Status

(GSL)

For the treatment of infant cradle cap and general care of infant scalp and hair.

Clear liquid shampoo containing:

Sodium Lauryl Ether Sulfo-Succinate 6% w/w, Sodium Lauryl Ether Sulfate 2.7% w/w,

Wet baby's head with warm water, put about 2-3ml of shampoo in palm of hand and massage gently but firmly over entire scalp. Do not be afraid of touching the fontanelle. Rinse off and repeat application. Rinse well and gently dry. Repeat each bath time until the scalp is clear. Suitable from birth but avoid contact with the eyes.
