Uses

Clinically proven to prevent water trapping in the ears and to protect the ear canals from unhygienic water. Creates a water repellent barrier. Prevents sore, itchy and irritated ears.

Format and Ingredients

Spray containing:

Pharmaceutical grade olive oil, tea tree oil and mineral oil,

Dosage

Children from 1 year: apply to both ears before entering the water. Pull the upper ear upwards and backwards and hold the bottle in an upright position with the nozzle placed in the ear canal. A single actuation per ear should be sufficient.
