

Sterimar Stop & Protect Cold & Sinusitis Relief

Category

Cough, Colds and Sore
Throat

Manufacturer

CHURCH & DWIGHT UK
LTD

Pack size

20ml

RRP

£8.99

Legal Status

MD

Uses

Rapidly decongests and soothes the nasal passages in the event of colds and sinusitis. Liquefies and clears even thick mucus. Forms a moisturising protective and invisible film on the nasal cavity which acts as a barrier against external causes responsible for cold symptoms and sinusitis.

Format and Ingredients

Nasal spray containing:

100% natural sea water based solution (hypertonic solution enriched with copper and eucalyptus oil),

Dosage

Adults and children from 6 years: use at the first signs of a cold, rhinitis or sinusitis. Apply 2 sprays into each nostril up to 6 times a day.
