Uses

Rapidly decongests the nose and washes away even thick mucus. Relieves the symptoms of colds and helps to reduce the risk of secondary infections.

Format and Ingredients

Nasal spray containing:

100% natural sea water based solution (hypertonic solution enriched with copper),

Dosage

Children 3 months to 3 years: follow pack instructions and use 2-6 times a day until the nose is no longer blocked, or as recommended by a doctor.
